

Steve Gallagher appointed as Non-Executive Director of Vix Technology

8 March 2017, Melbourne, Australia – Vix Technology is delighted to announce that Steve Gallagher has been appointed as a Non-Executive Director of Vix Technology. Steve has an in-depth understanding of payments in public transport and was CEO of Vix Technology from 2009 to 2015. His unique experience and insights into the transit and payment markets, automated fare collection, and, of course, Vix Technology will be a great asset for Vix. The Board looks forward to working with Steve and the Executive Team as Vix continues to help transport authorities ease passenger movement and embrace new innovations in order for them to provide the most efficient transit system possible for passengers.

ENDS

About Vix Technology

Vix Technology has been designing, delivering, operating and maintaining some of the world's leading transit ticketing systems for the past 30 years. With innovative smart booking, ticketing and secure payment systems, Vix has helped make public transport more accessible and more cost effective to operate. Vix has customers in 200 cities across the globe and is passionate about providing a better customer journey for passengers.
